

LEAD BASED PAINT ADDENDUM TO PURCHASE AGREEMENT

The terms and conditions of this Addendum form a part of that certain contract dated _____, 20____, between the undersigned Purchaser(s) and Seller(s) for the purchase of property located at _____

CONTINGENCY

- This contract is contingent upon a risk assessment or inspection of the property for the presence of lead-based paint and/or lead-based paint hazards at the Purchaser's expense until 9:00 p.m. on the tenth calendar-day after contract ratification or a date mutually agreed upon, said date agreed to be: _____, 20____. (Intact lead-based paint is not necessarily a hazard. See EPA pamphlet "Protect Your Family from Lead in Your Home" for more information.)
- This contingency will terminate at the above predetermined deadline unless the Purchaser (or Purchaser's agent) delivers to Seller (or Seller's agent) a written contract addendum listing the specific existing deficiencies and corrections needed, together with a copy of the inspection and/or risk assessment report.
- The Seller may, at Seller's option, within _____ days after delivery of the addendum, elect in writing to correct the conditions prior to settlement.
 - If the Seller will correct the condition(s), the Seller shall furnish the Purchaser with certification from a risk assessor or inspector demonstrating that the condition has been remedied before the date of the settlement.
 - If Seller does not elect to make repairs, or if the Seller makes a counter-offer, the Purchaser shall have _____ days to respond to the counter-offer or remove this contingency and take the property in "as is" condition with respect to the presence of lead-based paint and/or hazards or this contract shall become void.
- The Purchaser may remove this contingency at any time without cause.

LEAD WARNING STATEMENT

Every purchaser of any interest in residential property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession, and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase.
